13. One unsecured creditor has indicated that they would like further information to decide whether to extend support.
14. There were no objections received from any creditors by 4pm, 12 February 2020 being the date by which any objecting creditors were to file and serve affidavits setting out the reasons for their objections to the Applicant's applications.
15. The extent to which there are creditors in DSGAH, DSA and DSC is being reviewed and clarified. There are expected to be certain intercompany debts in relation to these entities.

UPDATES ON MALAYSIAN JUDICIAL MANAGEMENT PROCEEDINGS

16. On 20 January 2020, three (3) of DSGL's wholly-owned Malaysia-incorporated subsidiaries, being DS Project Management Sdn. Bhd ("**DS Project Management**"), DSG Manufacturing Malaysia Sdn Bhd ("**DSG Manufacturing**") and DSG Projects Malaysia Sdn Bhd ("**DSG Projects**") filed court applications in Malaysia to be placed under judicial management of a judicial manager pursuant to section 405 of the Malaysian Companies Act 2016. DS Project Management and DSG Manufacturing each made an application to the

High Court of Malaysia at Johor Bahru (the “**JB Applications**”), while DSG Projects made an application to the High Court of Malaysia at Shah alam (the “**Shah Alam Application**”).

17. The High Court of Malaysia at Johor Bahru has fixed the hearing for the JB Applications on 11 March 2020.
18. The High Court of Malaysia at Shah Alam has fixed the hearing for the Shah Alam Application on 12 March 2020.

UPDATES ON RESTRUCTURING PROCESS

19. The Applicants are in advanced discussions with two parties to provide additional financial support to the DSG Group which will allow the DSG Group to continue operating as a going concern and develop a tangible restructuring plan for stakeholders to consider. A supplementary affidavit will be filed once a detailed term sheet and other relevant documents are agreed between the parties.
20. There have been two major developments since the filing of the application for Moratorium by the Applicants on 20 January 2020 which are further described below.

The Virus

21. The Ministry of Health, Singapore (“**MOH**”) first alerted the public of a potential cluster of the 2019 novel coronavirus infection (the “**Virus**”) in Wuhan City, Hubei Province, China on 2 January 2020. On 23 January 2020, MOH confirmed the first imported case of

the Virus in Singapore. As of 12 February 2020, 1200hrs, there are 50 confirmed cases in Singapore.

Chinese New Year Holidays

22. In Singapore, the Chinese new year public holidays are from Saturday, 25 January 2020 to Monday, 27 January 2020. In practice, it is not uncommon in the construction industry for staff and workers, particularly those who have to travel back to their home countries, to take up to two to three weeks leave usually a week before and up to two weeks after the period of 25 to 27 January 2020, that is, between 16 January 2020 to 9 February 2020 (the **“CNY Holiday Period”**).
23. It was also during the CNY Holiday Period, that the deteriorating situation of the Virus outbreak in Singapore led to the issuance of the Travel Restrictions by the Singapore authorities. The Applicants have to comply with the Travel Restrictions, which meant that the affected staff members and workers would either be still in Mainland China, be placed on leave of absence, or quarantined.
24. The onslaught of the two additional externalities being that of the Virus outbreak compounded by the fact that this was during the CNY Holiday Period caused the Applicants to experience a severe disruption to their current business and the restructuring process.

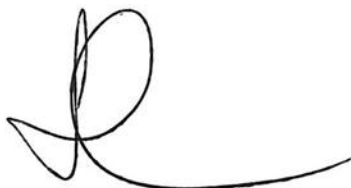

25. Given that a significant proportion of their workforce and their sub-contractors' workforce are from Mainland China, the Applicants are operating on a reduced productivity in an already challenging industry.
26. It is also difficult during this period under this climate of fear and uncertainty for AJCapital and the Applicants to organise internal and external meetings with stakeholders, which had the consequence of slowing down the restructuring process.

Conclusion

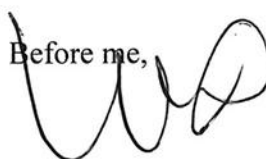

27. For the reasons above, the Applicants humbly pray for an order in terms of the applications herein and for more time to carry out the restructuring process for the benefit of all stakeholders. I will leave it to the Applicants' solicitors to make the necessary submissions during the hearing of the applications herein.

(“**DSGA**”), Design Studio Asia Pte. Ltd. (“**DSA**”), and Design Studio (China) Pte. Ltd. (“**DSC**”, and together with DSGL, DSGP, DSGM, DSGA and DSA, the “**Applicants**”).
2. Our clients have filed, through Rev Law LLC, applications: (i) HC/OS 73/2020 in relation to DSGL; (ii) HC/OS 74/2020 in relation to DSA; (iii) HC/OS 75/2020 in relation to DSGM; (iv) HC/OS 76/2020 in relation to DSGA; (v) HC/OS 77/2020 in relation to DSGP; and (vi) HC/OS 78/2020 in relation to DSC, (each an “**Originating Summons**”), under Section 211B of the Companies Act on 20 January 2020 (the “**Proceedings**”).
3. By these Proceedings, the Applicants seek, amongst other things, court orders to continue the moratorium which commenced upon filing the Proceedings (the “**Moratorium**”). The Moratorium temporarily restrains creditors from commencing or continuing legal proceedings against the Applicants, and is intended to give the Applicants and their advisors sufficient time to put together a restructuring proposal to their creditors.
4. A pre-trial conference (“**PTC**”) was held in the Singapore High Court (the “**Court**”) on 23 January 2020 before Assistant Registrar Karen Tan (“**AR Tan**”).
5. At the PTC, AR Tan gave the following administrative directions for the further conduct of these Proceedings:
 - a) By 4 pm, 31 January 2020, the Applicants are to file and serve on all creditors a supplementary affidavit setting out further information regarding the Applicants’ proposed scheme of arrangement or compromise (the “**Supplemental Affidavit**”).
 - b) By 4 pm, 12 February 2020, creditors who wish to object to the Applicants’ applications (“**Objecting Creditors**”) are to file and serve their affidavits setting out the reasons for their objections. Creditors who are taking no position or who do not object to the Applicants’ applications need not file any affidavits.
 - c) By 4 pm, 14 February 2020, the Applicants are to file and serve on all creditors an affidavit: (i) responding to affidavits filed by Objecting Creditors (if any); (ii) confirming compliance with the relevant statutory notice requirements; and (iii) providing evidence of creditor support for the orders sought by the Applicants.
 - d) By 4 pm, 15 February 2020, the Applicants and Objecting Creditors (if any) are to file and serve written submissions and a bundle of authorities. The written submissions are to be double-spaced and in size 12 Times New Roman font. The Applicants’ written submissions shall not exceed 40 pages, while the Objecting Creditors’ written submissions shall not exceed 30 pages. The Applicants shall also tender a time bank

for the parties' oral submissions at the substantive court hearing, as well as a list of all creditors who have indicated an intention to attend the substantive court hearing.
